

2011-12 Scholarship Application

A limited number of scholarships are occasionally available for singers who have difficulty meeting the expenses associated with participating in Mobile's Singing Children programs. The number and amount of scholarships awarded are based upon the availability of funds, the singer's financial need, audition results, the level of commitment demonstrated to the organization by the singer and family, and other criteria that may be named in the future. In all cases, the singer will be responsible for paying at least a portion of his or her own expenses. There are no 100% scholarships available.

If you have a definite need for financial assistance, please complete this application form and submit to the MSC Director for scholarship consideration.
